SL SERIES

THOUGHTFULLY DESIGNED WITH MODERN INNOVATIONS.

THE LENOVO THINKPAD® SL410 AND SL510 LAPTOPS.

The Lenovo ThinkPad SL410 and SL510 Laptops are designed to fulfill the need of small and medium business users for a stylish, reliable and feature-rich laptop computer with the ThinkPad tradition of great engineering.

The Laptops are equipped with a wide range of innovative technology and features. Ergonomically designed keyboard and a new UltraNav™ multitouch TouchPad for easier navigation. TrackPoint® Navigation gives an easy-sailing experience during exhaustive typing tasks and with mouse-free computing.

The Lenovo ThinkPad SL410 and SL510 Laptops provide greater usability with high-definition audio, integrated 2MP camera and keyboard microphone mute button. It can be used for video-integrated instant messaging, conferencing and Internet telephony. Speakers moved below the display for optimal listening experience.

The High Definition Multimedia Interface (HDMI) enables you use your ThinkPad SL410 or ThinkPad SL510 Laptop to source an external TV or monitor with high definition video and multi-channel audio. Intel® High Definition Audio delivers high-end performance equivalent to an add-in audio card.

Use the combo eSata / USB port, 4 USB ports and ExpressCard reader to connect your advanced-technology peripherals.

The Lenovo ThinkPad SL410 and SL510 Laptops come with globally recognized technical support excellence; ranked No.1 in Service and Support in TBR customer satisfaction report and PC Magazine 21st Annual Reader Survey.

Lenovo's innovative engineering enhances your business success by providing capabilities built for greater reliability, productivity, security, manageability and mobility. It provides an added advantage to the mobile computing experience and mobile IT infrastructure.

EASY MOBILITY WITH WIDER WIRELESS CONNECTIVITY

- Conveniently carry your laptop everywhere – it is light-weight and sleek
- Stay in touch from anywhere – using the integrated 802.11 Wi-Fi a / b / g / n (WLAN), and Bluetooth® wireless connectivity
- Increase battery life – with standard or extended 4 cell, 6 cell and 9 cell battery options

GREENER SYSTEMS WITH ENERGY SAVINGS

- EPEAT® Gold Certification and Climate Savers Computing Initiative, prove our leadership in environmental commitment
- In addition, the use of post-customer recycled plastics and renewable energy accessories makes the laptop environment-friendly
- ThinkPad SL410 and SL510 laptops being Energy Star® 5.0 Certified products are eco-friendly with mercury and arsenic-free low-power displays and improved packaging
- LED backlit display and power manager helps cut power consumption for extended battery life
