lenovo FOR
THOSE
WHO DO.

A doctor's day starts with hospital visits and surgeries, only to end with clinical consultations and other on-call duties. All this calls for a trusty machine that can keep up with heavy data, safety of patient details and staying connected at all times.

What better than the ThinkPad Tablet that can help organise and maintain schedules, house patient records, lab results and e-mail, smoothly and efficiently.

This ultra-compact ThinkPad Tablet is by

no means an ordinary tablet. It comes loaded with superior connectivity options and VoIP functions. The pressure-sensitive stylus allows doctors to jot down notes that automatically get converted to text.

That's not all. This superior tablet also allows IT managers to support them easily, no matter where they go. So not only does the ThinkPad Tablet keep your doctors productive at all times, it also keeps their data safe.

No matter what.

HIGHLIGHTS OF THE THINKPAD TABLET:

- ▶ True pen experience for completing forms, marking up charts and capturing signatures for prescriptions using PDF forms.
 - ▶ Full Data and SD Card encryption for security of sensitive patient medical records.
 - ▶ Gorilla® Glass Panel for added durability.
 - ▶ Superior connectivity options and VoIP facilities that keep you connected to your work from anywhere.
 - ▶ Remote Desktop Support that allows for Zero Touch Deployment, Remote Management, Remote Data Wipe and Remote Disable.
- NVIDIA® Tegra™ 2 – 1GHz, 1MB
 - Android™ 3.0
 - 1GB Memory
 - 10.1" (25.7cm) Display
 - 3-in-1 Encrypted SD Card Reader
 - Dual Camera (Front and Back)
 - Available with 3G

DO MORE WITH EXTRAS

Optional accessories such as the ThinkPad Tablet Dock, ThinkPad and foldable ThinkPad Tablet Keyboard Folio case allow you to stay productive. Screen protectors and various hard and soft cases keep your tablet safe while you're on the go. Stay powered on with the AC adapter or car charger.

KEYBOARD FOLIO

DOCK

DIGITISER PEN
