NEW WORLD. NEW THINKING.

## Lenovo Notebook Stand S1801

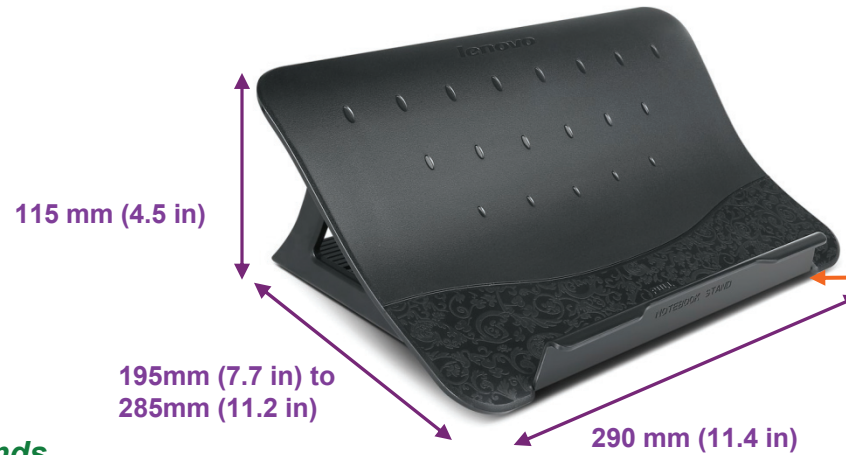

January 14<sup>th</sup> 2010

# Lenovo Notebook Stand S1801

*Lift, tilt your notebook to eye level for increased comfort and productivity*

- Quickly, easily position the notebook display using the “Adjustment Tray” that allows you to select the best notebook display height
- Easy to install
  - Minimal assembly using a “Snap together” tool-less design
- Accommodates notebooks ranging from 9-inches to 17-inches with only minor adjustment required for light and heavy notebooks
- Non-skid base holds the notebook in place
- Lightweight for easy movement, or carry with notebook
  - Weighs: 0.39 kg (0.87 lbs / 14 oz)

“Adjustment tray” allows the notebook to be positioned to accommodate various notebook sizes and designs: push-in for smaller notebooks or pull-out for larger notebooks
