

Lenovo® recommends Windows® 7 Professional.

lenovo® **FOR**
THOSE
WHO DO.

SUPERIOR SPEED

The ThinkCentre M71z allows you to work faster and more efficiently with:

- Intel's 2nd generation Core i platform, including Turbo Boost 2.0 and Hyper Threading technologies
- Genuine Windows® 7 Professional
- Incredible boot times – 27 seconds with SATA hard disk drive and a remarkable 15 seconds with an optional SSD

PROMOTING PRODUCTIVITY

The ThinkCentre M71z offers several features for enhanced display, allowing you to increase productivity with:

- Display port video-out, for connection to a secondary display screen
- The View Management Utility, so you can get the most out of a multiple display setup
- Communicator Utility, optimized camera and audio settings, and digital array microphone, enable seamless VoIP experience

STEADFAST SECURITY

The ThinkCentre M71z helps keep your data secure, offering a worry-free computing experience with:

- TPM helps keep your mission critical data secure
- The Kensington Lock helps prevent physical theft and tampering

EXTREMELY ECO-CONSCIOUS

The ThinkCentre M71z offers powerful computing with a commitment to the environment with:

- EPEAT Gold Certification – the M71z meets all the required certification criteria and over 75% of all optional criteria
- TCO Certified Edge – the M71z contains at least 50% recycled plastic materials
- EUP 2011 – the M71z consumes less electricity when in hibernation mode
- Energy Star 5.2 certification

SERVICE OFFERINGS

THINKPLUS® SUPPORT

Warranty Service and Support:

- All ThinkCentre customers receive Lenovo's award winning Warranty Service and Support.
- You can upgrade your existing base warranty, expand the term of your coverage and/or improve response time and level of service.
- This means you get a fixed-term, fixed-cost service solution that allows you to accurately budget for equipment expenses, matching your refresh cycles and critical support needs.

ThinkPlus Priority Support:

- ThinkPlus Support provides a single source solution that can be incorporated into the program your Business Partner provides.
- The flexible portfolio of offerings is designed specifically for large enterprises and gives you and your staff the peace of mind to focus on your business.
- The flexible portfolio of offerings is designed specifically for large enterprises and gives you and your staff the peace of mind to focus on your business.

ThinkPlus Priority Support:

- Large enterprise operations require priority attention to support needs and need fast, expert product support to keep your business up and running.
- Lenovo's ThinkPlus Priority Support is an integrated product support solution that gives you and your staff direct access to the right level of technical support on the first call, making your priority our priority.
- Bypass basic troubleshooting and experience shorter hold times; reduced repair times and higher first time fix rates so that you and your staff can concentrate on mission-critical business activities.

THINKPLUS® PROTECTION

Lenovo Protection Services:

- Lenovo Protection Services for ThinkCentre protects you and your business against hard drive failure.

Lenovo Hard Disk Drive Retention:

- Lenovo Hard Disk Drive Retention allows you to retain your hard drive if it should happen to fail, instead of returning the damaged part to Lenovo, protecting valuable files and confidential information from falling into the wrong hands.
