Lenovo Financial Services - \$949/\$26*

* Monthly lease payments are based on a minimum transaction size of \$25,000, 36 months, Fair Market Value purchase option with the first payment due 30 days from lease commencement. Lease payments may differ depending upon size of purchase, lease structure, customer type (e.g. business, public institution), and geographic location. Rates are subject to change without notice. All transactions are subject to Lenovo Financial Services equipment, credit and documentation requirements. All applicable taxes and shipping costs will be billed in addition to the monthly payment amount. For further information, please contact your Lenovo sales representative or Lenovo Financial Services at (888) 537-8838 or email Sales.US@LenovoFS.com.

lenovo PRODUCT REVIEWS & AWARDS

Lenovo ThinkPad X220 Review – Editor's Choice & 4 out of 5 Stars

"Lenovo's ThinkPad X200 series has a long history of combining lightweight portability, epic battery life, and uncompromising performance."

"There are few things more uncomfortable than a hot notebook, so we must give kudos to the X220 for keeping it cool. After streaming a video at full screen for 15 minutes, we measured the touchpad at just 82 degrees Fahrenheit, the keyboard at a cool 86 degrees, and the bottom at a reasonable 91 degrees. We consider temperatures below 95 degrees to be comfortable."

Lenovo ThinkStation C20 Review – Editor's Choice & 4 out of 5 Stars

"So in the horse race between the Lenovo ThinkStation C20 and Apple Mac Pro, who wins? The C20 is certainly your choice if you need to use ISV-certified programs like AutoCAD, Maya, PRO/Engineer, or SolidWorks. The C20's Quadro FX 1800 (and the whole workstation) are certified to work with these programs, so your IT manager won't have to test them post-purchase."

"While the Lenovo ThinkStation E20 continues on as our entry-level workstation Editor's Choice, the Lenovo ThinkStation C20 joins it as our new mainstream/high-end workstation Editor's Choice."
