Services oriented thinking
drives profitable growth.

SEALED BATTERY WARRANTY

A BETTER BATTERY
DESERVES BETTER
PROTECTION.

THINKPLUS® 3-YEAR SEALED BATTERY WARRANTY

- The ThinkPad® Edge 220s/420s and ThinkPad X1 include a sealed, non-CRU (Customer Replaceable Unit) battery
- With a non-CRU (Customer Replaceable Unit) battery, battery replacement involves depot or on-site service by a trained technician
- Designed for ultra-thin products and lasting 3x as long as a typical notebook battery
- The ThinkPad X1 with RapidCharge technology charges 2.5 times faster (charging 80% in 30 minutes)
- A 1-year base battery warranty is standard

LENOVO 3-YEAR SEALED BATTERY WARRANTY

- Provides a one-time replacement in the event a defective or faulty battery fails to meet minimum performance standards
- Battery health is determined by Lenovo's built-in battery diagnostic tool
- Each warranty service package is available with:
 - Depot repair option, or
 - On-site Next Business Day Service Option (where available)

LENOVO SERVICES

SEALED BATTERY WARRANTY PROVIDES

- Peace of mind by reducing hassles and frustration associated with system unavailability and interruption to productivity
- Ensures planned budgeting for unexpected expenses
- Low upfront cost – approximately one-seventh that of a sealed battery replacement
- On-site servicing available for optimum convenience and time savings
- Assurance of an effective and efficient battery replacement by Lenovo certified technicians for customers with Lenovo's 3-year battery warranty
