The Right Service to Protect the System

Warranty Extensions & Upgrades

Extend your customer's base warranty to their desired life cycle with an extension. If your customers can't wait, upgrade to a next business day response.

Priority Support

Bypass level 1 break fix warranty support and talk to an expert.

Priority Support provides warranty phone support through a direct phone number to advanced level technicians.

Hard Drive Retention

Hard Drive Retention provides your customer the right to physically retain their hard drive in the event of failure or replacement. Their data never leaves their hands.

Additional Services to Complement Your Portfolio

Services to complement your portfolio. Refer your lead on eligible services and earn 7-12% of the invoiced amount and a gift card.
